

## Congregation Or Ami Virtual Quilt Instructions

Congregation Or Ami is excited to introduce our new community-wide art project: Or Ami Virtual Quilt! Although we can't physically be together, Or Ami has remained a source of connection during these difficult times. By virtually "sewing" our squares together, our quilt will serve as a symbol of our bond as a community and a beautiful piece of artwork for all of us to share. Let us join together in designing our squares and showcase the ways in which we each connect to our second home.

### How to Quilt!

1. Think about the ways in which Or Ami is a part of your life. Perhaps you're involved in a youth group, or you love attending Shabbat services—whether they are virtual or in person. You can even draw favorite moments from a retreat, Mitzvah Day, Childspree or a family B'nai Mitzvah! What are some of your favorite moments at Or Ami?
2. Print out the quilt square template [here](#)
3. Brainstorm your ideas and then draw or paint them in your square!
4. For sending in your square, a full-color scan is preferred. Once scanned you can email the file to [halle@orami.org](mailto:halle@orami.org). If scanning is not an option for you, you can snap a cell phone picture and send via email to [halle@orami.org](mailto:halle@orami.org). Make sure to send this photo in the highest resolution possible and center your photo in the picture. See the photo guide below for best results:

## Finished Example:

Hi everyone! My name is Halle and I am a Hebrew teacher and youth group adviser here at Or Ami. When I think of our community, one of my favorite moments that comes to mind is singing Hashkiveinu together during Keshet religious school. I chose to draw this moment in my square shown below. I can't wait until we can all put our arms around each other and sing together once again!
