EVENT DETAILS

The cocktail reception will take place on a spacious outdoor patio with socially-distanced high tops, and with tables alongside indoor seating, adjacent to wide-open sliding doors.

Personalized dinner plates and plentiful appetizers will be passed throughout the reception. There is no reserved seating or buffet this year. The catering staff is fully vaccinated and will wear masks the entire evening.

The concert will be inside a theater with limited seating to allow for social distance between parties.

COVID PROTOCOLS

Safeguarding everyone's physical, emotional, and spiritual health remains our top priority. Working closely with our medical advisors, we are following best practices from the CDC and LA County guidelines and will update them as directed. Our current safety requirements are as follows:

- Proof of full vaccination (including booster) and a current ID will be required to enter. To ensure everyone's safety, there will be no exceptions.
- Seating capacity is reduced as we allow for social distancing inside and outside.
- All attendees, volunteers, and staff must wear masks over their nose and mouth inside the theater.
- We will have N95 Masks available at our Health Check-In station
- We will be doing temperature checks before entry.
- If you or anyone in your home are experiencing flu-like symptoms or have covid, please do not attend.
