Mr. Kelly's Nightclub:
A Video from the World of Entertainment

A most special evening coming your way!

We will watch the enthralling video of the legendary nightclub, Mister Kelly's. The Chicago-based entertainment center bedazzled the country by launching superstars like Barbra Streisand, Richard Pryor, Bette Midler, and Steve Martin. It smashed color and gender barriers to put controversial voices on stage and transformed entertainment in America in the '50s, '60s, and '70s. Owned and operated by two Jewish brothers, George and Oscar Marienthal, Mister Kelly's changed show business and became one of American entertainment's greatest proving grounds.

We'll create the club atmosphere, sharing appetizers and desserts for an upbeat, entertaining evening!

At a wonderful celebratory evening, Congregation Or Ami paid tribute to The Village and its leaders, Judy and Nancy and the members of the Steering Committee. The Gala was a tribute to the Village where we maintain the vitality, sense of purpose, curiosity, energy and joy that comes from sharing with one another. We are always eager to welcome new members!

THE ART OF POSITIVE LIVING...BITS OF WISDOM

Increasing your social connections provides fulfillment, increases life satisfaction and reduces the risk of dementia. Prioritize friendships that help you feel supported and seen. Reach out to create new connections and allow yourself to be genuine and honest in your relationships.
