

New Directions for Youth

CHILD SPREE

Support at-risk youth with a Back to School Shopping Spree

The recipients are clients of New Directions for Youth, Inc. (ndfy.org). Established in 1976, NDY is a comprehensive youth development agency that provides direct service and programs to more than 7,000 at-risk youth and families annually.

OUR GOAL:

To take 40 at-risk youth shopping!

TO DO THIS:

We need to raise \$150 per child.

(Extra money means more kids go or each gets to spend a little more)

YOU CAN HELP BY:

Cash donations will help sponsor a child or buy breakfast. Donations are needed of water, Capri Sun, juice boxes, paper plates, napkins, and baked desserts. Volunteer to chaperone or assist with the event.
